

ecoAgra™ Products

100% Bio-Based

ecoAgra™ Plant Protect Concentrate

ecoAgra™ Benefits:

- ▶ Bio-Based
- ▶ Safe to use, store & dispose of
- ▶ Readily Biodegradable
- ▶ Non-Toxic
- ▶ Non-Carcinogenic
- ▶ Hypoallergenic
- ▶ Non-Corrosive
- ▶ Non-Hazardous
- ▶ Non-Caustic
- ▶ Non-Fuming
- ▶ Low-Foaming
- ▶ Non-Flammable
- ▶ From renewable resources
- ▶ Use less water

ecoAgra™ Does Not Contain:

- ▶ Ozone Depleting Substances
- ▶ Synthetics
- ▶ Terpenes
- ▶ Petroleum Distillates
- ▶ Glycol Ethers
- ▶ Caustics
- ▶ Builders & Reagents

ecoAgra™ Specifications:

- ▶ **Flash Point:** None
- ▶ **Odor:** Faint Vegetable Smell
- ▶ **Boiling Point:** 214.4°F
- ▶ **Freezing Point:** 28.0°F
- ▶ **Specific Gravity:** 1.001
- ▶ **Solubility in water:** 100 %
- ▶ **pH:** 9.7
- ▶ **Appearance:** Clear gold liquid

Plant Protect Concentrate

eA300

For use on fruits, vegetables, plants, flowers, trees, grass or shrubs. This product is harmless to humans, pets and the environment.

ecoAgra™ Description:

ecoAgra™ is a USDA BioPreferred growth enhancer, made 100% from plant extracts. It has been known to substantially reduce the use of toxic chemicals. Plants grow faster and healthier, while making them less susceptible to pestilence and drought. Increased BRIX levels add to crop value.

ecoAgra™ Uses:

- ▶ Field Crops ▶ Greenhouse Plants ▶ Vegetables ▶ Fruits
- ▶ Trees ▶ Shrubs ▶ Grass ▶ House Plants ▶ Produce Washing

ecoAgra™ Application:

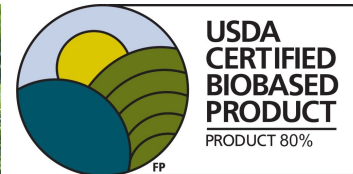

- ▶ Application uses approximately 5.1 ounces of product per acre
- ▶ Spray in the morning or evening, never during hot sunlight
- ▶ Mix 16oz of **ecoAgra™** with 50 gal of water to clean tank after chemical use. Make sure solution contacts all surfaces.

ecoAgra™ Suggested Dilution Rate:

- ▶ **300:1:** normal spraying, seed treatment, damaged plants
- ▶ **300:1:** grafting, air-layering, rooting of cuttings
- ▶ **400:1:** combination spray (i.e. when mixed with chemicals)
- ▶ **400:1:** cleaning of bare root stock
- ▶ **600:1:** healthy plant maintenance, leaf polish, shine

ecoAgra™ Ingredients:

Alkanolamines, amino acids, corn and soy oil, coconut oil, nonionic surfactants, plant-based fatty acids and organic alcohol in a base of colloidal micelles.

ecoAgra is USDA Certified

Benefits of ecoAgra™:

- ▶ No EPA or regulatory issues when spraying **ecoAgra™**
- ▶ No health hazards to workers, animals, customers and owners
- ▶ No warning signs needed or concerns of chemical drift
- ▶ No special storage or disposal worries
- ▶ Field workers no longer have to dress in protective clothing

Equine & Cattle Wash

Provides a thorough cleaning for horses, cows and other farm animals, leaving the hair soft and shiny, even when hard water is used. Washing offers relief from itching and pestilence and promotes the healing of rough, flaky, oily, or irritated skin.

We also have a full line of cleaning products that can be used in the barn, around food, for parts cleaning, or in the home.
